

# South Coast Soiree

# We need your help.

**MY BROTHER'S KEEPER**  
A Christian ministry of loving service and education

Sadly, we will not be hosting South Coast Soiree this year due to COVID-19.

**At this special evening, we usually feed you.  
This year we need your help feeding our neighbors.**

When the COVID-19 crisis began, My Brother's Keeper launched a new Food Assistance Program at our Dartmouth facility. Since March, we have made over 3,000 no-contact food deliveries to families in need on the South Coast worth more than \$600,000.

Please consider a donation similar to what you would have made to the South Coast Soiree. Ticket prices were \$75 last year.

**\$75 donation = 1 week of groceries for 5 local families in need thanks to food drives and our partnership with the Greater Boston Food Bank.**

“This has been SOOOO helpful being out of work and having my children at home to feed. I cannot thank you enough!”  
— Robin, New Bedford
