

**MY BROTHER'S KEEPER**  
A Christian ministry of loving service and education

# SPRING TOGETHER for LOVE & HOPE

## Rock the Mission!

Friday, April 29, 2022 • Marriott Boston Quincy

Spring Together for Love & Hope is not your average social gathering!  
Join the My Brother's Keeper community for an evening of dancing, dining, and fun.

- Live music by "Best of Boston" band, Hot Mess!
- Food stations representing iconic Boston neighborhoods: Fenway, North End, Chinatown, Beacon Hill, and the Theater District
- Live auction, raffles, and wine pull
- Casual attire—pair your favorite jeans with your dancing shoes!

## Why support My Brother's Keeper?

**Our mission is "To bring the Love and Hope of Jesus Christ to those we serve."** In their time of need, we serve our neighbors with dignity and respect without judgment.

**Our program covers three essential needs: furniture, food, and Christmas assistance.** We are one of the only organizations in the area delivering furniture free of charge—a critical service for residents without transportation, the elderly, and disabled.

**Our focus is local.** With two locations in Easton and Dartmouth, My Brother's Keeper serves a geographic area ranging from Boston to Cape Cod to Fall River and New Bedford.

**All are eligible for assistance.** We have no prerequisites for service. Anyone residing in our geographic area is eligible to receive our assistance, regardless of religion.

**We have a proven history of success.** Over the past 34 years, we have made 190,000 deliveries to struggling families and individuals. Currently, we make over 19,000 deliveries a year.

**We are 100% privately funded.** We do not receive any local, state, or federal funding, and rely solely on private donations to serve the community.

**We are a volunteer based organization.** We are supported by 5,000 volunteers who come to My Brother's Keeper to experience the joy of service, including more than 1,500 students from 100+ schools.

**Return on Investment.** Your donation does the most good because we significantly leverage financial contributions. Two examples: the average retail value of our food delivery is \$220—our cost, only \$12. A new twin bed typically costs \$250—our cost, only \$140.
