# Why support My Brother's Keeper?

**Our mission is "To bring the Love and Hope of Jesus Christ to those we serve."** In their time of need, we serve people with dignity and respect without judgment.

**Our program covers three essential areas: furniture, food, and Christmas assistance.** We are the only organization in the area delivering furniture free of charge to the less fortunate.

**Our focus is local.** My Brother's Keeper serves a geographic area ranging from Fall River, New Bedford, and the Cape north to Boston.

**All are eligible for assistance.** Anyone residing in our geographic area is eligible to receive our assistance without regard to religion.

**We have a proven history of success.** Over the past 34 years, we have made 190,000 deliveries to struggling families and individuals. Today, we make over 19,000 deliveries a year.

**We are 100% privately funded.** We receive no funds from the local, state or federal government.

**We are a volunteer based organization.** We are supported by 5,000 volunteers who come to My Brother's Keeper to experience the joy of service, including more than 1,500 students from 100+ schools.

**Return on Investment.** Your donation does the most good because we significantly leverage financial contributions. Two examples: the average retail value of our food delivery is \$220 — our cost, only \$12. A new twin bed typically costs \$250 — our cost, only \$140.
